

# Clos Roskam

POMEROL  
2022 Vintage

## The Wine

We strive to produce wines that represent what makes Bordeaux wines unique; finesse, balance and freshness, a guarantee of longevity and pleasure.

## The Vineyard

The 0.42 hectare vineyard is made up of four plots with different characteristics. The slightly basic subsoil varies from 28% to 50% clay, the orientation of the rows and the topography as well. This patchwork allows us to express variety and complexity; the guarantee of a great wine.

2022 is our first vintage which, we hope, will be the launch of a long adventure.

## Oenologists

Frans and Elizabeth Roskam are both Oenologists from the University of Bordeaux. They work in collaboration with consulting Oenologists Eric Boissenot and Edouard Lambert.

## Variety

100% Merlot

## Aging

16 months in oak barrel,  
50% new oak.

## Production

2,800 bottles

## Alcool

13,5 % ABV
